The Irish crowns have been delayed due to a bank strike in Ireland and the shipping strike in England. The Bahama sets have not arrived and may be held up by the shipping strike since the coins were struck at the Royal Mint. All coins except the above two and the coins ordered last time and are in. The club did not get the Persian crowns ordered in May and those who purchased this coin will be issued credit slips. We hope to be able to offer the Jersey "Battle of Hasting" coins within the next two months. If we are able to get them we will advise the members through this announcement.
